This is a road race (Certified Course #AR99003DLP). There is no such thing as a "safe" course. While the sponsors and race directors/organizers/coordinators and their assistants and the volunteers do everything they can to ensure a "safe" course, it is not possible to guard against all risks. Therefore, you will be responsible for your own safety and well-being by taking adequate precautions both before and during the race to guard against road hazards. Therefore, we ask that you read and sign the waiver below as a condition of entering this race.

Waiver of Liability - Assumption of Risks

I do hereby release and discharge Fayetteville Tri-Sport Club, First Federal Bank, and any and all persons assisting in Run for the Grapes, and their respective employees and representatives, whether compensated or uncompensated, of any and all liability arising from illness, injuries, or damages I may suffer as a result of my participation in this event. This waiver of liability and assumption of risk specifically includes any liability resulting from:

1. Availability or inadequacy of aid stations;
2. Availability or inadequacy of traffic control;
3. Failure to warn of hazards on the course;
4. Failure to have adequate pick up crews who assist runners who are lost or develop difficulties;
5. Failure to provide or inadequacy of medical support and facilities.

I further state that I am in proper physical condition to participate in this event and suffer from no medical conditions that would put me at risk for injury or death as a result of my participation in this road race. Alternatively, I assume the risk for any injury or death that occurs as a result of any condition and my participation in this event. I am on a safe outlook at all times and assume the risk for any traffic or hazards during the race. I also give my permission for the free use of my name and picture in any broadcast, telecast, or written account of this event.

By my signature, hereto, I acknowledge that I have read the above waiver of liability and assumption of risk and that I concur in its entirety.
